We also have a range of seasonal preserves and pickles available throughout the year and also run workshops on preserving food.

Plenty at the Square is nestled within South Square Centre, community and heritage space in Thornton, Bradford. There are several community spaces available to hire for events. The centre aims to be an open and inclusive space for all. Due to the unique nature of our heritage building the centre has limited accessibility for wheelchairs users. Most community spaces including the café and gallery spaces are accessible. Please ring ahead for more information.

These samples give a good idea of the type of food we prepare, we love talking food so please do get in touch to discuss what you would like for your event. Catering can be supplied for off-site events within the Bradford district. For in-house events a full licenced bar is available serving beer, wine, a small selection of spirits and cocktails.
